

Welcome to the November edition of the LINK newsletter. We have chosen to showcase a mix of exciting new opportunities; there is a business for every interest and price range. Some of these businesses also give you the option to either be actively involved in operations or to buy the business as a managed investment.

These opportunities won't last long. Profitable businesses with proven systems, loyal customers and excellent reputation are hard to find.

Contact the LINK broker for the listing you're interested in, so you don't miss out.

Profitable General Contractor Doing Custom Residential and Commercial Construction

Triangle Area

This is an established, but still growing business, aligned with the significant market demand for both new construction and remodeling in the NC Triangle. The company can provide suburban new home construction, home renovation, and remodeling projects, as well as manage design and planning elements. Broad range of operational competencies support pivoting to market swings. The company is a respected and established player in the industry, and the seller is committed to a successful transition.
