Connecting

With an international network of more than 500 LINK business brokers, we have successfully sold more than \$3 billion worth of businesses.

Our growing reputation for the highest level of customer service is built on integrity, honesty, uncompromising quality and a passion for connecting sellers with the right buyers. Our team is dedicated to helping every owner maximize the value of their business and enjoy a streamlined sale and transition period.

Global Reach, Local Brokers

At any one time we have more than \$2 billion of businesses listed on our global websites. Our business databases represent up-to-the-minute company data, with 250,000 people actively looking for a new business. If you're selling, this means we can attract hundreds of warm leads, based on their interest in businesses like yours.

Thanks to the investment we make in Search Engine Marketing (SEM), anyone looking to buy a business in the USA, New Zealand, Australia or the Philippines will quickly find LINK, and let our powerful search engine find your business.

Targeted Marketing

AD.LINK

LINK brokers use our world-class Ad.LINK marketing tools and research, fine-tuned over years of learning the most effective way to sell businesses. We speak to buyers through direct targeted emails, networking, social media, our websites, and both digital and press advertising. We understand that confidentiality is paramount. We ensure that business opportunities are advertised in a compelling way without disclosing sensitive or identifying information.

Experienced Experts

LINK.ACADEMY

Every LINK business broker is specially trained through our rigorous, industry-leading LINK.Academy. You can trust that you'll get sound, smart advice, supported by real-world experience and a professional who goes above and beyond to deliver results. We match businesses with specialist brokers, because they understand your business and can tap into their extensive industry networks to reach potential buyers across a cross-section of industries.

Proven Process

LINK offers a unique, proven approach to facilitating each successful sale, and a focus on delivering exceptional service. Learning from decades of experience, we've developed a tried and true process for successfully selling any business. Globally, we sell more businesses than any other brokerage. Each LINK broker is skilled in the art of negotiation and doesn't rely on heavy discounting to sell a business. We keep you informed at every step of the process, providing detailed feedback on marketing activity, inquiries, prospect profiles and more. We are uncompromising in protecting your confidential information.

Powerful Data

ONE.LINK

With One.LINK, our powerful database and business sales tool, our broker teams seamlessly coordinate and track the sale and purchase process. With comprehensive records of business sales in every country where we operate, we constantly track and analyze the big trends influencing business and the economy. We also conduct regular independent research to determine buyer motivations and identify what matters to them. Our knowledge is your power, giving you key insights into factors that affect the marketing and sale of your business.

Worth Knowing

VALU.LINK

You may not know the worth of your business fully, but thanks to Valu.LINK's award-winning proprietary opinion of value tool, we do. Valu.LINK draws on LINK's extensive global sales data for your industry and carefully calculated algorithms to provide a detailed, accurate appraisal of a business in any country in any industry sector.
